Date: Thursday 22nd June 2023

- If a competitor is in a track event and a field event in the same session, **they must report** to the field event first, put their name down, and then report to their track event.
- Relay teams must consist of runners that – i) are from the same school
ii) are from that age group or younger
iii) have not been in any other relay team on the day.
- Marshalling is at the start of all events. **Competitors will be placed in lanes by marshal.**
